## TEAMS SUBJEKT LINE \*\*

XXXXX - LDM 30 - 4931470655 - Laser Distance Measurer - "Request"  
*project number - type - part-no. user manual - type description - "status"*

## QR CODE LINK \*\*\*

## FURTHER INFORMATION

The QR CODE LINK is created taking N87 9233 into account.

\* Please use the pure "Article - No." without spaces as the pdf file name!

\*\* In the "TEAMS SUBJEKT LINE" we use always the part number of the User Manual, not from the Quick Start Guide!

\*\*\* "QR CODE LINK" leads to the online user manual, it is printed on the Quick Start Guide
